

## SOCIAL and PERSONAL

A meeting of those interested in the indoor garden, to be given at the Jefferson Hotel Auditorium on February 26-29, was held yesterday afternoon at 4 o'clock, at the home of Mrs. Virginia Newton, on West Franklin Street, with Mrs. L. L. Lewis presiding.

After the minutes of the last meeting had been read and approved, it was decided that the organization of workers, under whose direction the entertainment is to be given, shall be called the Charity Garden Association, and that its officers shall be as follows:

The first of the year will include four entertainments, beginning with a matinee on February 26th. Season tickets at \$1 will be placed on sale. Admission to night performances will be 50 cents; to matinee, 25 cents. It was decided to hold the next general meeting in the home of Mrs. Newton on Tuesday next at 4 P. M.

Mrs. A. J. Montague was appointed chairman of the program committee. Mrs. Robert S. Christian, chairman of the committee on tickets, and Miss Williams, chairman of the tobacco booth.

The treasurer reported \$5 in hand, and no disbursements. Contributions of candles and cakes will be thankfully received at the auditorium on February 26th, by Mrs. P. M. Fry, chairman of the candy booth.

The Jefferson Orchestra has placed its services at the disposal of the ladies for the matinee.

Tickets will be placed on sale at once at the Jefferson Hotel, Branch A, Allen's No. 336 East Main; Cliff Well's, No. 43 East Broad, and Powers & Anderson's, No. 30 North 10th Street.

One of the most attractive features of the fête will be a Spanish dance to be executed by Miss Julia Coghill Joyner, a debutante of last season, and daughter of Mr. and Mrs. Levin Joyner, of West Franklin Street.

Mrs. Virginia Newton will entertain the members of the Finance Committee at dinner on Saturday evening at 7:30 o'clock. The guests will be Attorney-General and Mrs. W. A. Rorer, Hon. and Mrs. Henry C. Stuart, Hon. and Mrs. Henry Fairfax, Colonel and Mrs. John B. Purcell, Judge and Mrs. B. Randolph Wellford, President W. H. White, of the R. F. & P. Railroad, and Mrs. White.

The refreshment committee will meet with the chairman, Mrs. James A. Grigg, No. 1109 West Avenue, to-day at 11 o'clock.

The chairman of the amusement and decoration committees will meet this afternoon at 4 o'clock at the home of Mrs. L. L. Lewis, No. 313 West Franklin Street. Through the kindness of Major Bowles and Captain Tucker, the chairman of the fancy dress committee, Miss Page Aylett Royall, has secured the services of the Blues' Band for the occasion. That this will prove a leading attraction goes without saying. Young girls asked by the chairman to take part in the fête are Misses Julia Coghill Joyner, Caroline Gordon Reynolds, Elsie Lindsey, Roberta Trigg, Lillian Blinford, Charlotte Miller, Daisy Boykin, Nellie Tabb, of Baltimore; Avis Grant, Alice Doyle, Lucy Parker Taylor, Sarah Chamberlayne, Anna Purcell, Louise McAdams, Rachel Urquhart, Mary Belne, Nora Leary, Ellen Witt, Brent Witt, Sherrard Wilcox, Edith Grant, Courtenay Crump, Caroline Armstrong, Bernice Cooke, Winifred Greenaway, Mildred Boyd, Helen Lathrop, Anne Keith Royall, Helen Tanner, Mary Crump, Nell Potts and Emma Gray White.

The subject will be "The Isles of the Adriatic and Jerusalem." Miss Blair will relate her personal experiences while touring through this region of sacred association, beauty and romance. The proceeds will be devoted to the Day Nursery, for which cause this circle is at work.

The entertainment will be for the benefit of the Brotherhood of St. Paul, and is under the auspices of Monumental and Holy Trinity chapters. It is hoped by the ladies in charge that a large attendance will second their efforts in a charitable cause.

Guests at Brandon. Life at Brandon on James River, where Mrs. Randolph Cuyler is dispensing hospitality during the absence of her mother, Mrs. Gullie Harrison, is very pleasant by a number of guests seeking acquaintance with this famous and historic home.

Mr. Otway Byrd, who has been at Upper Brandon with a party of New York friends, visited his cousins at Lower Brandon, and Mr. Stephen Poyntz, of England, who spent some time in Richmond with Mr. and Mrs. Egbert Leigh, went from Richmond to Brandon, and is now at Shirley. He numbers an Anne Carter among his ancestors, and nowhere can recollections associated with her memory be better recalled than at her ancestral home.

## ROOT CENSURED FOR HIS COURSE

Mr. Harrison Sharply Criticizes Secretary's Negotiations With Russia.

### JEWISH TRAVEL IN RUSSIA

WASHINGTON, February 11.—Russia's treatment of American passports was the subject of discussion for some time in the House to-day. The Committee on Foreign Affairs yesterday reported adversely a resolution calling upon the Secretary of State for information regarding certain negotiations with Russia in the matter of passports to American citizens, and particularly Jewish citizens, upon the plea of the Secretary of the State that it was not compatible with the public interest to furnish the information at this time. After extended discussion the House to-day by a vote of 113 to 97 sustained the adverse report.

In speaking on the subject, Mr. Harrison, of New York, asserted that the Russians "with characteristic duplicity" had attempted to exclude a whole class of citizens simply on account of their religious faith. "Against this intolerable assumption," he said, "we have always protested with indignation."

The Department's Course. Mr. Harrison referred to recent circulars of the State Department, making it incumbent upon Jews before receiving American passports to assure the department first that they were not going to Russia, and second that it was such express permission of the Russian government, as a most surprising and deplorable chapter of American diplomacy which touched the Jewish race.

The right of Jews to travel in Russia was not dependent "upon the whims and fancies of an unhappy autocrat," but given to the United States citizens by the treaty of 1832 "and approved by the conscience of the civilized world," he said.

In conclusion, Mr. Harrison pointed out that the circular referred to was modified January 25th last, and the objectionable paragraph eliminated.

Come to Root's Defense. A glowing tribute was paid to Secretary Root and American diplomacy by Mr. Lowden, of Illinois. The resolution, he adopted, he said, would defeat its very object, and the committee felt it was promoting the interests of the Jewish people in rejecting it. He said Secretary Root had given personal assurance that every effort was being made to get rid of the discrimination which the Russian government practiced, "and we have confidence enough in the Secretary of State to believe that his judgment should be supreme on this question."

Rectifying many diplomatic triumphs of the United States, Mr. Lowden said it would be long before the American doctrine of absolute right of expatriation would become a part of the international law of the world.

Following a statement by Mr. Capron, of Rhode Island, that the circulars were designed as a protection to American citizens of Russian Jewish parentage, who might have gotten themselves into trouble under the Russian law, Mr. Williams, of Mississippi, forced the vote, and on the question of the adoption of the adverse report on the resolution.

PREPARING FOR THE FLEET. Cordial Greeting Will be Given When It Passes Valparaiso.

SANTIAGO, CHILE, February 11.—Great preparations are being made for the cordial greeting to be given to the fleet of warships as it passes Valparaiso on Friday. The president of the republic and Mme. Montt will leave here, too, for Valparaiso, and they will be accompanied by a large number of government officials and their wives. Special excursions will carry thousands into that city, who are anxious to see the parade of the American ships. A grand banquet will be given on board the training ship, carrying thousands of the foreign countries, their families and other guests, and from that point the fleet will review the fleet, which, it is intended, will pass between the Baquedano and the cruiser Chacabuco, now accompanying the Americans up the coast.

## GETTING THE BILL INTO GOOD SHAPE

(Continued from First Page.)

person as to the methods to be employed by the Secretary of the Treasury in determining the market value of the bonds now excluded. That they were all quoted on exchanges.

Mr. LaFollette had read amendments he intends to offer. They provide that no bond of a railroad should be accepted for security for currency, unless the face value and cost of reproducing the railroad shall have been ascertained by the Interstate Commerce Commission, and currency issued on such bonds shall not be more than 75 per cent. of the physical value of the bonds.

Notice was given by Mr. McLaughlin, of Mississippi, of an amendment he will offer limiting the amount of currency to be issued on any bonds to the par value of the bonds.

Senator Daniel offered an amendment providing that bonds of railroads that have paid regularly and continuously for five years next preceding the deposit of its bonds the interest due on all its bonds can be used for currency issues. That amendment, he said, would allow the use of bonds of roads that have not paid dividends on stock.

This would permit the use of the bonds of a number of Southern roads which have now excluded. Upon suggestion of Mr. Aldrich, Mr. Daniel's amendment was referred to the Finance Committee.

A change was suggested by Mr. McCumber, of North Dakota, requiring the Secretary of the Treasury to determine the "actual value" of the bonds offered for currency circulation instead of the "market value."

Wants Twice As Much. Mr. Bailey said he hoped to see the time when all the issues of currency by banks would be done away with and in their place an issue of government currency, payable in gold. He saw little difference, so far as the government's responsibility is concerned, between these two classes of currency because even the emergency currency, under consideration, is ultimately redeemable in gold if the banks fail to redeem it. Mr. Bailey said he would like to have this bill provide for \$1,000,000,000 of emergency currency instead of \$500,000,000.

"The time will come," declared Mr. Bailey, "when our money can be based upon the credit and issued by the government." He believed in paying off the government debt and did not want any currency system that required a public debt to make it operative. He was not in favor of "greenbacks," which had for its basis merely a legend declaring that it was money. He wanted the notes of the government redeemable in coin.

Proposes Philippine Bonds. Senator Lodge gave notice of an amendment including among the bonds available for currency issues the bonds of the Philippine government, the city of Manila and the railroads of the Philippines, the principal and interest of which has been guaranteed by the Philippine government.

Mr. Bacon asked whether territorial bonds had been considered by the Finance Committee as proper to be used as security for currency issues. Mr. Aldrich said such securities had

been discussed and would receive further consideration.

An extended discussion was precipitated by Senator Heyburn on a question concerning the propriety of the adoption of the committee amendments as a part of this bill. Senator Aldrich, however, insisted that such action would in no way hamper any Senator in amending the bill, and the Democrats expressed their satisfaction with that method of procedure.

All committee amendments were then incorporated in the bill except those declaring the valuation to be fixed by the Secretary of the Treasury of the bonds to be accepted as a basis for currency circulation and the provisions in relation to railroad bonds.

The Senate, at 5:04 P. M. adjourned.

FIGHT ON PROHIBITION

Mr. Sutro Appears for the National German-American Alliance.

WASHINGTON, D. C., February 11.—The anti-prohibitionists had their innings to-day when representatives of the National German-American Alliance appeared before the House Committee on Judiciary to oppose in general the sixteen bills, introduced at this session for the suppression of the liquor traffic, and in particular the Littlefield bill proposing Federal aid in the enforcement of local option laws.

Among those who spoke against the bills was Attorney Theodore Sutro, of New York, president of the New York branch of the alliance, and former commissioner of Texas.

A running exchange of threats between Mr. Sutro and Representative Littlefield, who is a member of the committee, enlivened the hearing. Among those in attendance were several members of the Women
